

Guiding the next generation of excipient experts

IPEC AMERICAS

30 YEARS OF EXCIPIENT LEADERSHIP

IPEC AMERICAS FOUNDATION

The drugs of tomorrow will be developed by the individuals and organizations which we champion today.

Founded by IPEC-Americas in 2006 as a 501(c)3 charitable organization, our aim is to inspire future leaders in the field of pharmaceutical excipients.

► **Reward** the best and brightest individuals and institutions through scholarships and support.

► **Mentor** those who seek to improve excipients by leveraging the experience of our members.

► **Energize** our industry to promote and attract new talent and broader involvement.

► **Expand** the foundation's global influence for the benefit of mankind.
